Chairman's report

The Chairman read out his report, the text of which is attached to these minutes.

Treasurer's report

The Treasurer circulated the Trustees' Annual Report and Accounts for the year ending 31st August 2011.

There was a surplus of £52,142 which was mainly due to grants received for the MUGA, the expenditure for which had fallen in the previous year. A grant of £1,500 had been received from Sus IT Out which would be used to produce the Business Plan for the centre redevelopment.

The fund-raising activities had been very successful and had raised in the region of £9,000 and the expenditure on maintenance and running the hall was balanced by the revenue raised from rents and bookings.

This meant that there was £64,807 in cash in hand which would allow for £3,307 to be kept as General Reserves, £4,500 to be allocated for Capital Repairs and Maintenance and the remainder of £57,000 to be allocated towards Capital Investment, namely the Kirkhill Centre Forward project.

It was reported that £1,200 had recently been received, being payment from the Feed-In Tariff scheme for the electricity generated by the PV Panels since their installation.

Jim Ogilvie then reported that the KDAA had been given a cheque for £11,000 as a share of the sum raised by the sale of the Beaully Heritage Centre.

Booking Secretary's report

The Booking Secretary thanked the hall users for their prompt payment throughout the year. She also thanked the committee and other members of the community for their assistance.

Amendment to the structure of the KDAA

Sandra Hogg explained the motivation for the proposal to allow the KDAA to become a Scottish Charitable Incorporated Organisation (SCIO) and circulated a brief document on SCIOs, which is attached to these minutes. The amendment was then proposed by Sandra Hogg and seconded by Alasdair Morrison and was accepted *nem con*.

Amendment to the KDAA constitution

An amendment to the KDAA constitution to alter the required membership of the committee from fifteen to a number between five and fifteen was proposed by Sandra Hogg and seconded by Amanda MacGillivray. Following some discussion, it was felt that five was too low a number as it may result in the committee numbers dwindling. An amendment to the proposed amendment was suggested by Alasdair Morrison to raise the lower limit to eight. This was seconded by David Knox and was accepted *nem con*. The constitutional amendment, as amended, was then accepted *nem con*.
